

Rules for Teachers • 1872

- Teachers each day will fill lamps, trim the wicks and clean chimneys.
- Each morning teacher will bring a bucket of water and a scuttle of coal for the day's session.
- Make your pens carefully. You may whittle nibs to the individual taste of the pupils.
- Men teachers may take one evening each week for courting purposes, or two evenings a week if they attend church regularly.
- After ten hours in school, the teachers may spend the remaining time reading the Bible or any other good books.
- Women teachers who marry or engage in unseemly conduct will be dismissed.
- Every teacher should lay aside from each pay a goodly sum of his earnings for his benefit during his declining years so that he will not become a burden on society.
- Any teacher who smokes, uses liquor in any form, frequents pool or public halls, or gets shaved in a barber shop will give good reason to suspect his worth, intention, integrity and honesty.
- The teacher who performs his labor faithfully and without fault for five years will be given an increase of twenty-five cents per week in his pay, providing the Board of Education approves.
