

CLEVELAND COUNTY, OKLAHOMA DIVORCE PETITIONS

1890-1917

Divorce petitions presented in this section were handled in both Civil and Probate Courts. This resulted in several series of case numbers. In addition, other types of cases were included in the numbering. As a result, divorce case numbers are not consecutive. Also, older cases were not numbered and are shown as UN.

Further, a fire in the Court House destroyed many old files. A search of court dockets provided names in some divorce cases where no file exists.

A few others were located by searching microfilm newspapers.

Thus,

UN	Case not numbered
*	File no longer exists, information taken from court dockets.
@	File no longer exists, information taken from microfilm newspapers.

Please note: No attempt has been made to determine that a divorce was granted; some of these petitions were later dismissed.

Also, some of these cases are annulments when one or both of the parties were under age.

Missing files recently located:

Julia McNabb 14 Oct 1912

#4149 Louisa Roberts vs.
