

# CLEVELAND COUNTY, OKLAHOMA DIVORCE PETITIONS

1935 - 1950

Divorces presented in this section were handled in the District Court.

Beginning in 1935 divorce cases were numbered separately from other civil cases; thus, these cases have consecutive numbers.

A few of the case folders are empty but are labeled with the names of the plaintiff and defendant. These cases have been marked with an \* after the case number indicating that no file has been found.

Please note: No attempt has been made to determine that a divorce was granted; some of these petitions were later dismissed.

Also some of these cases were annulments when one or both of the parties were under age.
