July 198

MESSAGE FROM THE PRESIDENT:

This is just a short newsletter to let everyone know we will **not** have our regular meeting in July or August, **BUT** we will have our meeting on the **third** Tuesday of each month beginning September 15, 1980. We will **announce where in** our August newsletter. We are looking forward to many interesting and **informative** meetings. So, in order to have meetings of interest, we need **suggestions** from our members. Please call 794-1248 and let us know what you want to learn or hear about in our meetings.

We have received word that many of our members attended family reunions this summer. Hopefully, at our September meeting, we will have time to share what happened.

I am planning a trip to Collin County, Texas, so if anyone wants me to check something for them--please call.

We would also like to thank SHARRON STANDIFER ASHTON for speaking at our meeting. She gave us valuable information regarding the Indian Archives.

We seem to have tabled our plans to compile early marriage records for Cleveland County. However, this is a project for the future. It's **TOO HOT** right now.

If anyone would like to contribute to the newsletter, please call or send the information to the address above.

Hope you have enjoyed the summer so far.

Katherine M. Matthews
