OPEN LETTER TO OUR MEMBERSHIP

The Cleveland County Genealogical Society began in March 1980 as the Moore Pioneer Genealogical Society through the efforts of Louana Bowker, Tressie Weathers, and Katherine M. Matthews. We became the Cleveland County Genealogical Society in May 1981 because of the increase in our membership and fuller participation in the County. Our organization is only as strong as our interest in our meetings and goals. Please let us know what special genealogical interests you have so we can try to have speakers, workshops, or just give individual assistance. Our organization was formed to share information and to have fun along our search for our ancestors.

We wish to thank our members for their active participation.
