NOMINATING COMMITTEE ELECTED

Mahotah Conley, Eunice Goddard and Agnes Brooks were elected to serve on the nominating committee at the October meeting. In accordance with the society's bylaws it is the duty of this committee to nominate candidates for the offices to be filled at the annual meeting in January where additional nominations from the floor shall be permitted.

SPECIAL THANKS

Few genealogists are more dedicated than our October speaker. Lois Copley, corresponding secretary of the Oklahoma Genealogical Society presented an extensive and informative lecture on what to do when the courthouse burns. This is not the first time Lois has so generously shared her expertise with our group. We certainly hope it is not the last. You are great! Thank you!!

UPDATE

At this writing the society's second special publication, Cleveland County, Oklahoma Territory Marriage Record Book One: 1890-1895 is being proofed by Genivia Jury and Jan Tate. Once the corrections are made we will begin indexing the 4,320 names. In addition to the names of the bride and groom and date of marriage, each entry will contain [when given] ages, residence, birthplace, place of the marriage, the names of parents, the official and witnesses. Date of publication is scheduled for early 1986.

We still have copies of the society's first special publication, Register of Marriages 1891-1897 Cleveland County Territory of Oklahoma. Over two-hundred marriages, a bibliography, a guide to place names and maps are included in this book available from the society. The cost is \$6.00 postpaid.

The preceeding is a list of United States veterans interred in the Moore and Smith cemeteries, Cleveland County, Oklahoma. Burials in the Smith Cemetery are marked with an asterisk.

Each entry gives the veteran's name. Additional information [when known] includes the military organization and war in which the soldier served. Family sources and the compilers' personal knowledge form the basis for including the names of those listed when the additional information is not given.

If you desire further data, please submit your request to the society. Information on other veterans buried in Cleveland County will also be accepted.

The Oklahoma Genealogical Society, P.O. Box 12986, Oklahoma City OK 73157 is still collecting information for their Veterans Buried in Oklahoma card file. If you have knowledge of soldiers buried in Oklahoma please send this data to OGS.
